Item 1.01. Entry into a Material Definitive Agreement.

On March 4, 2019, II-VI Incorporated (“II-VI” or the “Company”) entered into a Credit Agreement, dated as of March 4, 2019 (the “New Credit Agreement”), by and among the Company, Bank of America, N.A., as Administrative Agent, Swing Line Lender and an L/C Issuer, and the other lenders party thereto. The Company entered into the New Credit Agreement in connection with its pending acquisition of Finisar Corporation (“Finisar”) pursuant to the Agreement and Plan of Merger, dated as of November 8, 2018 (the “Merger Agreement”), by and among the Company, Mutation Merger Sub Inc. (“Merger Sub”) and Finisar. Pursuant to the terms of the Merger Agreement, Merger Sub, a wholly owned subsidiary of the Company, will be merged with and into Finisar, and Finisar will continue as the surviving corporation in the merger and a wholly owned subsidiary of II-VI (the “Merger”).

Pursuant to the terms and subject to the conditions therein, the New Credit Agreement provides for senior secured financing of \$1.625 billion in the aggregate, consisting of (i) a five-year senior secured first-lien term A loan facility in an aggregate principal amount of \$1.175 billion (the “Term A Facility”) and (ii) a five-year senior secured first-lien revolving credit facility in an aggregate principal amount of \$450.0 million (the “Revolving Credit Facility”) and together with the Term A Facility, the “New Senior Credit Facilities”). The New Credit Agreement also provides for a letter of credit sub-facility not to exceed \$25.0 million and a swing loan sub-facility initially not to exceed \$20.0 million, subject to adjustment in accordance with the terms of the New Credit Agreement. The Company anticipates using the proceeds from the Term A Facility, together with a separately committed term B loan facility in an aggregate principal amount of up to \$800.0 million (the “Term B Facility”) and together with the Term A Facility, the “Term Loan Facilities”) and cash and short-term investments of the Company and Finisar, to pay the cash portion of the merger consideration payable in connection with the Merger and pay related fees and expenses in connection with the Merger. The Company currently does not intend to draw on the Revolving Credit Facility in order to fund the cash portion of the merger consideration payable in connection with the Merger.

The funding obligations of the lenders under the New Senior Credit Facilities are subject to certain currently unsatisfied conditions, including the consummation of the Merger. Accordingly, no borrowings are currently outstanding under the New Senior Credit Facilities, and the Company currently is not able to borrow under the New Senior Credit Facilities. Further, the Company expects that the New Credit Agreement will be amended prior to the Closing Date to reflect syndication of the Term B Facility and to finalize certain other terms in the New Credit Agreement. Upon the consummation of the Merger, the New Senior Credit Facilities, governed by the New Credit Agreement as it may be amended as of such time, will be used (i) to refinance in full the current credit facilities provided under the Third Amended and Restated Credit Agreement, by and among the Company, the guarantors party thereto, the lenders party thereto, and PNC Bank, National Association, as Administrative and Documentation Agent, and Bank of America, N.A., as Syndication Agent, dated as of July 28, 2016 (as amended to date, the “Current Credit Agreement”) and (ii) on or after the date of the consummation of the Merger, to repay amounts owed in connection with Finisar’s outstanding convertible notes issued pursuant to an indenture, dated as of December 16, 2013, between Finisar and Wells Fargo Bank, National Association, as trustee, currently in an aggregate principal amount outstanding of \$1.1 million, and Finisar’s outstanding convertible notes issued pursuant to an indenture dated as of December 21, 2016, between Finisar and Wells Fargo Bank, National Association, as trustee, currently in an aggregate principal amount outstanding of \$575.0 million, including with the proceeds of a portion of the Term A Facility which will be available to the Company for a certain period after the initial funding under the New Senior Credit Facilities. Unless and until the Merger is consummated and the other currently unsatisfied conditions to the funding obligations of the lenders under the New Senior Credit Facilities are satisfied or waived, the Current Credit Agreement remains in effect in accordance with its terms.

The Company’s obligations under the New Senior Credit Facilities will be guaranteed by each of the Company’s existing or future direct and indirect domestic subsidiaries, including, upon consummation of the Merger, Finisar and its domestic subsidiaries (the “Guarantors”). Borrowings under the New Senior Credit Facilities will be collateralized by a first priority lien in substantially all of the assets of the Company and the Guarantors, except that no real property will be collateral under the New Senior Credit Facilities.

The Company will be obligated to repay the outstanding principal amount of the Term A Facility in quarterly installments equal to 1.25% of the initial aggregate principal amount of the Term A Facility, commencing on the last day of the first full fiscal quarter after the date on which the conditions to the funding obligations of the lenders set forth in the New Credit Agreement are satisfied or waived (the "Closing Date") and on each December 31, March 31, June 30 and September 30 thereafter, with the remaining outstanding balance due and payable on the fifth anniversary of the Closing Date. The Company will be obligated to repay the aggregate principal amount of all outstanding revolving loans made under the Revolving Credit Facility on the fifth anniversary of the Closing Date.

All amounts outstanding under the New Senior Credit Facilities would become due and payable 120 days prior to the maturity of the Company's currently outstanding 0.25% Convertible Senior Notes due 2022 (the "Notes") if (i) the Notes remain outstanding and (ii) the Company has insufficient cash and borrowing availability to repay the principal amount of the Notes. The Company voluntarily may prepay, at any time or from time to time, any amounts outstanding under the New Senior Credit Facilities in whole or in part without premium or penalty. The Company may be subject to mandatory prepayment of amounts outstanding under the New Senior Credit Facilities under certain circumstances, including in connection with certain asset sales or other dispositions of property and debt issuances.

Amounts outstanding under the Term A Facility and the Revolving Credit Facility will bear interest, at the Company's option, at a rate per annum equal to either (i) a LIBOR rate plus 200 basis points per annum until the Company's delivery of its first compliance certificate in accordance with the terms of the New Credit Agreement and thereafter, a LIBOR rate plus a rate based on the Company's consolidated total leverage ratio (as calculated in accordance with the terms of the New Credit Agreement) and (ii) an applicable margin over a base rate determined by reference to the highest of (a) the federal funds effective rate plus 0.50%, (b) Bank of America, N.A.'s prime rate and (c) a LIBOR rate adjusted daily plus 1.00%. Amounts outstanding under the Term B Facility will bear interest, at the Company's option, at a rate per annum equal to either (i) a LIBOR rate plus an amount to be determined or (ii) an amount to be determined over a base rate determined by reference to the highest of (a) the federal funds effective rate plus 0.50%, (b) Bank of America, N.A.'s prime rate and (c) a LIBOR rate adjusted daily plus 1.00%.

The New Credit Agreement contains customary affirmative and negative covenants with respect to the New Senior Credit Facilities, including limitations with respect to liens, investments, indebtedness, dividends, mergers and acquisitions, dispositions of assets and transactions with affiliates. Except with the consent of certain lenders in accordance with the terms of the New Credit Agreement, with respect to the New Senior Credit Facilities, the Company will be obligated to maintain a consolidated interest coverage ratio (as calculated in accordance with the terms of the new Credit Agreement) as of the end of each fiscal quarter of not less than 3.00:1.00. Similarly, except with the consent of certain lenders in accordance with the terms of the New Credit Agreement, with respect to the New Senior Credit Facilities, the Company will be obligated to maintain a consolidated total net leverage ratio (as calculated in accordance with the terms of the New Credit Agreement) of not greater than (i) 5.00 to 1.00 for the first four fiscal quarters after the Closing Date, commencing with the first full fiscal quarter after the Closing Date, (ii) 4.50 to 1.00 for the fifth fiscal quarter through and including the eighth fiscal quarter after the Closing Date, and (iii) 4.00 to 1.00 for each subsequent fiscal quarter.

The New Credit Agreement provides for customary events of default, including (i) a failure to pay principal, interest or fees under the New Senior Credit Facilities when due, (ii) a failure by the Company to comply with applicable covenants under the New Senior Credit Facilities, (iii) the fact that any representation or warranty made by the Company is false or misleading in any material respect, (iv) the occurrence of an event of default under other indebtedness of the Company with a then-outstanding principal balance of \$35.0 million or more, (v) the commencement of certain insolvency or receivership events and (vi) the occurrence of a change in control of the Company. Upon the occurrence of an event of default, the lenders under the New Senior Credit Facilities would be under no further obligations to make loans under the Revolving Credit Facility, and all outstanding borrowings under the New Senior Credit Facilities could be declared immediately due and payable.

The foregoing is a description of the material terms and conditions of the New Credit Agreement and is not a complete discussion of the New Credit Agreement. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the New Credit Agreement, which will be filed as an exhibit to the Company's Quarterly

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

On March 1, 2019, the Company entered into a Third Amendment to Third Amended and Restated Credit Agreement, dated as of March 1, 2019 (the “Third Amendment”), by and among the Company, the guarantors party thereto, the lenders party thereto, and PNC Bank, National Association, as Administrative Agent. In accordance with the terms of the Third Amendment, the parties thereto acknowledged and agreed for purposes of the Current Credit Agreement that (i) the Company’s entrance into the New Credit Agreement is not prohibited by, and does not constitute a default under, the Current Credit Agreement or any related loan document and (ii) the provision of Section 8.2.6(2)(v) of the Current Credit Agreement with respect to the delivery of an Acquisition Compliance Certificate is not applicable in connection with the consummation of the Merger.

The foregoing is a description of the material terms and conditions of the Third Amendment and is not a complete discussion of the Third Amendment. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Third Amendment, which will be filed as an exhibit to the Company’s Quarterly Report on Form 10-Q for its quarter ending March 31, 2019.
