As disclosed by the Company in the Form 10-Q filed with the SEC on December 3, 2018:

On November 8, 2018, the Company, II-VI Incorporated, a Pennsylvania corporation (“Parent” or “II-VI”) and Mutation Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of Parent (“Merger Subsidiary”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which, among other things, Merger Subsidiary will be merged with and into the Company (the “Merger”), with the Company surviving the Merger as a wholly owned subsidiary of Parent.

At the time the Merger becomes effective (the “Effective Time”), each issued and outstanding share of common stock, par value \$0.001 per share, of the Company (“Company Stock”) (other than shares of Company Stock owned by Parent or Merger Subsidiary or any direct or indirect wholly owned subsidiary of Parent, which will be cancelled without consideration, and holders of Company Stock, if any, who properly exercise their appraisal rights under the General Corporation Law of the State of Delaware) outstanding immediately prior to the Merger will be automatically cancelled and converted into the right to receive, for each share of Company Stock, at the stockholder’s election and subject to proration in the event the cash consideration or Parent Common Stock (as defined below) consideration is oversubscribed, either (i) \$26.00 in cash (the “Cash Election Consideration”), (ii) 0.5546 of a share of common stock, no par value, of Parent (“Parent Common Stock”) (the “Stock Election Consideration”), or (iii) a combination of (A) 0.2218 of a share of Parent Common Stock (the “Exchange Ratio”) and (B) \$15.60 in cash, without interest (the “Mixed Election Consideration”). On an average basis across all shares of Company Stock (including the Options (as defined below) and Performance RSUs (as defined below)), at the closing of the Merger, 60% of the aggregate amount of the outstanding shares of Company Stock (including the Options and Performance RSUs) will be converted into

the right to receive the Cash Election Consideration, with the remaining 40% converted into the right to receive the Stock Election Consideration.

Pursuant to the Merger Agreement, at the Effective Time, each outstanding and unexercised option to purchase Company Stock (whether vested or unvested) (an "Option") shall automatically be cancelled and terminated and converted into the right to receive an amount of Mixed Election Consideration equal to the product of (i) the excess, if any, of the Cash Election Consideration over the exercise price per share of such Option multiplied by (ii) the number of shares of Company Stock subject to such Option, payable no later than the Company's next payroll date after the closing of the Merger. Further, as of the Effective Time, each award of restricted stock units of the Company that is outstanding immediately prior to the Effective Time and is subject to a performance-based vesting condition (a "Performance RSU") that relates solely to the value of Company Stock will vest as to a number of shares determined under the terms of the award and will be cancelled and extinguished and converted into the right to receive the Cash Election Consideration, the Stock Election Consideration or the Mixed Election Consideration in accordance with the election made by the holder of such Performance RSU. At the Effective Time, each other award of restricted stock units of the Company that is outstanding and unvested will be assumed by Parent and continue to be subject to substantially the same terms and conditions (including vesting requirements) as in effect immediately prior to the Effective Time, except that the number of shares of Parent Common Stock subject to such assumed restricted stock unit awards will be equal to the product of (i) the number of shares of Company Stock underlying such unvested restricted stock unit award as of immediately prior to the Effective Time multiplied by (ii) the sum of the (A) Exchange Ratio plus (B) the quotient obtained by dividing \$15.60 by the Equity Award Measurement Price. The "Equity Award Measurement Price" means the volume weighted average price per share of Parent Common Stock on NASDAQ for the ten (10) consecutive trading days ending on (and including) the third trading day immediately prior to the Effective Time.

The Merger Agreement also provides, among other things, that the board of directors of Parent (the "Parent Board") will appoint, at the Effective Time, three members, each of whom are (i) members of the board of directors of the Company (the "Board") as of the date of the Merger Agreement, (ii) mutually agreed to by the Company and Parent, acting in good faith, and (iii) reasonably approved by the Corporate Governance and Nominating Committee of the Parent Board.

The closing of the Merger is subject to, among other things, the adoption of the Merger Agreement by the affirmative vote of the holders of at least a majority of the outstanding shares of Company Stock (the "Company Stockholder Approval") and the affirmative vote of at least a majority of the votes cast for the proposal on the issuance of the Parent Common Stock and any restricted units of Parent issuable in connection with the Merger (the "Parent Stockholder Approval"). The closing of the Merger is also subject to various customary conditions, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; receipt of other specified regulatory approvals; the absence of any temporary restraining order, preliminary or permanent injunction or other order issued by any court of competent jurisdiction enjoining or otherwise prohibiting the

consummation of the Merger; the SEC having declared effective a Form S-4 with respect to, and the approval of the listing on NASDAQ of, the shares of Parent Common Stock issuable in connection with the Merger; the accuracy of the representations and warranties contained in the Merger Agreement (generally subject to a material adverse effect qualification); compliance with the covenants and agreements in the Merger Agreement in all material respects; and no material adverse effect on either the Company or Parent. The closing of the Merger is also subject to Parent, the Company and Wells Fargo Bank, National Association (the "Trustee"), entering into a supplemental indenture in connection with that certain (i) indenture, dated as of December 16, 2013 (the "2033 Notes Indenture"), by and among the Company and the Trustee governing the Company's 0.50% Convertible Senior Notes due 2033 (the "2033 Notes") and (ii) indenture, dated as of December 21, 2016 (the "2036 Notes Indenture" and, together with the 2033 Notes Indentures, the "Indentures"), by and among the Company and the Trustee governing the Company's 0.50% Convertible Senior Notes due 2036 (the "2036 Notes" and, together with the 2033 Notes, the "Notes") providing, among other items, (a) at and after the Effective Time, pursuant, and subject to, the terms and conditions of the applicable Indenture, for the change in right to convert each \$1,000 principal amount of the 2033 Notes and the 2036 Notes, as applicable, into the amount of shares of Parent Common Stock and cash, or the combination thereof, that a holder of a number of shares of Company Stock equal to the conversion rate of the 2033 Notes and the 2036 Notes immediately prior to the Effective Time would have owned or been entitled to receive upon the Effective Time, and (b) Parent's full and unconditional guarantee, on a senior unsecured basis, of the 2033 Notes and the 2036 Notes. Though not a condition to Closing, Parent and Merger Subsidiary are also obligated to use its reasonable best efforts to obtain debt financing that, together with the other financial resources of Parent, will be sufficient to satisfy all of Parent's and Merger Subsidiary's payment obligations under the Merger Agreement.

(d) No other person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any Shares that are beneficially owned by the Reporting Persons.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to the Securities of the Issuer
